Dear _____,

I am _____, a member of Manor FFA and a sophomore at Penn Manor High School. I am really involved in the FFA. Currently, I am taking Ag Science 1 and Ag Mechanics 2. I also work _____ which keeps me pretty busy.

This year I am completing my first SAE project. I bought two market swine to raise and then show at the West Lampeter Community Fair. I spend a lot of time working with my hogs. I walk them every week and clean their pen. I also feed and water my hogs every day. They gain about two pound a day. One of the hogs is a purebred Hampshire and the other is a crossbred.

I will be showing my two hogs at the West Lampeter Community Fair Swine Show on September _____ at ____ pm. The youth livestock auction will be Friday, September ____ at 6:30 pm. The sale order is market steers, hogs, lambs, dairy beef, and market goats. I would really appreciate your support by coming and bidding on or buying my animals. With the profit that I earn from the sale of my animals I plan to _____ (Examples, further my education to be a _____ or buy more animals next year...)

Thank you for your support of my project,

Sincerely,
